Required Scantrons for the Organic Chemistry Laboratories

Below is the Scantron Form that the Organic Laboratory will be using this semester for Quizzes. Please note that it is BLUE.

It has a place to mark your STUDENT ID (UIN). You MUST fill in this area to have your grade posted on elearning.

Fill in this section with:

Your Name:

Subject: (Chem 237)

Date: (9/4/2012)

Test No. (This will be the letter associated with the quiz you are taking. The Letter can be found in the upper right corner of your quiz.)

Period: Please place the COLOR of your lab here (e.g., Green).

These Scantrons are Form SC882-E

They are the only Quiz Scantrons that will be graded!
